Minutes of October Meeting

The October meeting of the Cedar Valley Woodcarvers was called to order by Vice President Kay Lund at the Marion American Legion Hall at 7:00 pm on October 9, 2018.

Kay welcomed the guests and new members. The minutes of the last meeting were approved. Kay reported the club elections were coming up in December and asked for volunteers for an election committee to seek out candidates for the club officials and the elected board member. The committee will consist of Larry Sylvester (chairperson), Linda Langenberg, and Don Lund.

Kay gave a report from the committee looking into table covers needed for the legion tables during carving at the club meetings. She demonstrated three types of table covers and asked members to evaluate them and report back to her after the meeting.

Kay said the Scholarship committee is scheduling a meeting and talked about revisions of guidelines for scholarships.

Kay announced that Steve Russell will again be teaching a class on carving Christmas Ornaments at Wickiup Leaning Center on November 3 from 10 am to 3 pm. If anyone is interested they should contact Wickiup Center (319) 892-6490. The cost of this class is \$10 which will be paid to the Wickiup Center on the day of the class. Carvers should also bring their own lunch since the facility does not have food available.

Jon Marion reported that Ann Ristow was teaching a class on chip carved boxes after the meeting. Next month Ann will be teaching chip carved stars that can be used for Christmas ornaments.

Scott Garbe gave the treasurer's report.
